**AMBULATORY SURGICAL TREATMENT CENTER
PROCEDURES FOR APPLYING FOR LICENSURE OF A NEW FACILITY**

1. You must first apply for a Certificate of Need (CON) from the Health Services and Developmental Agency prior to applying for licensure as this type of facility. **If you are a Physicians Practice performing 50 or more surgical abortions annually and were in existence prior to July 1, 2015, you are not required to obtain a CON; but are required to submit a notarized application along with the appropriate fee.** If a CON is required, once you obtain a CON you will need to submit a notarized application along with the appropriate licensure fee to the address at the top of the application.
2. Obtain architectural plans signed and sealed by an architect or Tennessee licensed engineer. Submit the plans to the Plans Review Section of Health Care Facilities. Once you receive approval of the architectural plans you may begin building the facility. If it is an existing building you will need to make any renovations that the plans reviewer has indicated. Approximately thirty (30) to forty-five (45) days prior to completion of the construction/renovations you will need to send a letter to the Regional Office in your area to request a survey of the facility. The Regional Office will notify you to schedule the survey. Be certain that you have given yourself plenty of time to have the building completed and to have your policies and procedures in order. If you are not ready on the date of survey it will most likely be thirty (30) days or more before the survey can be rescheduled.
3. Once the survey has been completed the surveyor will tell you if a recommendation is going to be made to license your facility. The surveyor will forward the appropriate forms to the Regional Office for the Regional Director's signature. The forms will then be forwarded to the Central Office Licensure Division in Nashville.
4. Licensure staff will then process the forms and send an initial approval letter to you. The application will then be presented to the Board for Licensing Health Care Facilities at the next regularly scheduled board meeting for ratification. If the Board ratifies the application the license will then be ordered from the computer center. You should receive the license in seven (7) to ten (10) days.
5. If the Board does not ratify the initial approval of your application, a letter will be mailed to you providing an explanation and specific instructions as to any actions you may take to have the decision reviewed, at which time this authorization shall cease to be effective.
